

Honoring Oakland Police Officers

Sgt. Mark Dunakn
Sgt. Ervin Romans
Sgt. Daniel Sakai
Officer John Hege

Law Enforcement is a Brother & Sisterhood unlike any in the world. With the tragic loss of four of our Brothers from the Oakland Police Department we all feel the grief and sadness. CAHN with our partners from the California Tactical Dispatcher Association will be helping out the Oakland Police Department on the day of the Memorial. Dispatchers from throughout Northern and Central California will be staffing the Communications Center for the Oakland Police Department. The Dispatchers will need a place to stay, so CAHN has arranged for hotels rooms at the Fairfield Inn, at the Oakland Airport. We will also be providing money for food to make sure the dispatchers are fed while on duty. This is a gift of money, but the true gift from our members is the friendship, support and love for our fellow law enforcement officers.

A special thank you to
Fairfield Inn, Oakland
